Our range of personalized adhesive letters are manufactured with sustainable and durable Bamboo with realistic animal design. The kids will not only learn the letters but also spell their names and then stick them to a bedroom door or wall using the adhesive pads included.

EE33331
Name Plaque
 Ages: 18m+

This plaque is great for kid's bedroom. It's made from Bamboo and designed in the shape of Noah's Ark. This plaque accomodates up to 6-7 letters. Use our EverEarth adhesive Bamboo letters to spell your child's name and then stick it to the plaque.

BENEFITS OF WOODEN TOYS

Child Development

- Natural texture of wood encourages a child to **touch, feel and explore**, unlike battery operated toys which tend to amuse and distract children
- Educational wooden toys **build problem solving skills** and help build a child's **motor skill**
- Helps increase the child's **creativity and imagination**

Safety and Environment

- Wooden toys are natural living material and **do not contain chemicals and toxins** unlike PVC plastic toys
- **More durable** and last longer than other plastic toys, with no need for batteries help to contribute to **less waste**
- EverEarth toys are made from sustainable wood such as recycled rubber wood and bamboo, thereby helping to **preserve earth's environment**
